Careers 2020 Convention

One of the flagship events the School runs within the Careers programme is our Biennial Careers Convention.

With the aim main being to allow pupils to find out what really happens behind the professional title, to have an insight into the world of work that confirms or dismisses their preconceptions; to learn from the experiences of others and to be inspired by their achievements.

We aim to gather in the region of sixty volunteer speakers and invite them to talk frankly about the world of work and what really happens behind the professional title, talking informally about 'A Day in My Working Life'.

If this is something that you feel that, you would be willing to help us with please see the following link for more information - [Careers Convention 2020](#)

Andrew Chessell Town Housemaster, is running the London Marathon in 2020. He is representing **Task Brasil** which helps street kids. The 'kids' are there for a whole host of reasons from being orphaned or abandoned to being the victims of domestic violence.

If you would like to support Andrew or read more please [click here](#).
