Sport

Anyone for OR Tennis?

After a lengthy absence we are looking to enter an OR tennis team into the prestigious old schools' tennis competition, The D'Abernon Cup, the finals of which are played at The All England Club. This is an all-male competition, however we would also like to try to put together a mixed team to take on The School in the summer as well.

With both of these events in mind, we are planning a couple of fun evening knockabouts for both boys and girls so we can organise initial teams and reboot our tennis heritage (we were runners-up in the first ever D'Abernon Cup in 1929 and also 1961, whilst we won it consecutively in 1946 and '47). These will probably take place indoors at a venue tbc in London.

If you would like to come along please email me at markcarr@gmail.com and I will send you details when we firm them up.

Mark Carr (C 77-82)

ORGS

The new season for the ORGS will have started by the time you read this. Our first event is our match against the club at Rye. At least the forecast, when I write, suggests this will not be cancelled due to snow, as it was last year. A report of this match, as with all our events, will be on the website soon. Those of you who have seen the recent copy of the Floreat will have noticed that some gremlins entered at the production/proofing stage and that the photo captions are all wrong; a pity, but happily not something for which the ORGS Hon Sec is responsible.
