WELCOME TO RUGBY

We are delighted you are considering Rugby School for your child and our aim is to make the application process as clear for you as possible.

This brochure covers all the key areas including our admissions process for entry at 13+ and 16+ as a boarding or day student and how to apply from abroad. There is also advice on how we might be able to help if your child's school finishes at age 11.

There is information on our wide variety of Scholarship Awards and how to access our means-tested bursary assistance towards fees. I am also delighted to announce Rugby School will be offering the International Baccalaureate Diploma Programme as part of the Sixth Form curriculum from September 2021 onwards.

For 13+ entry we recommend that the first thing you should do is to arrange a suitable date and itinerary for a visit to Rugby School during Year 5 or Year 6 to judge whether Rugby may be the best school for your child. For 16+ entry preliminary visits are usually during Year 10.

Once you are clear that Rugby School is your choice, then the next step is to complete and return the registration form.

We appreciate guidance may be needed throughout your application process and our Admissions team is here to offer support and advice every step of the way.

Please do contact them, their details are on page 11.

We look forward to hearing from you.

Admissions Registrar

HOW TO APPLY FOR A BOARDING PLACE

AT 13+ (YEAR 9)

We begin to consider a 'first wave' of registered applicants during Year 7. When you tell us you would like your child to be part of this process we will request a comprehensive report and the most recent verbal reasoning test (VRT) score from their current school. If the school cannot provide these scores we will arrange a test here.

Your child will be asked to complete a pre-interview questionnaire and during the assessment they will be interviewed by a Housemaster or Housemistress. We will also ask to see your child's recent Maths and English exercise books along with a piece of Year 7 work they are most proud of. This will form the basis of a further 20 to 30-minute discussion to help us assess academic ability.

Before the interviews take place we ask parents to pay the Entrance Fee.

If a conditional place is offered, the next step is to pass either Common Entrance (with an average of at least 55 per cent) or meet our entrance requirements in English and Maths for children whose schools do not prepare for Common Entrance, or to meet our entrance requirements in the Academic Scholarship examinations.

We temporarily close our lists for new applications between mid-October and April of Year 7 to enable us to carry out this first wave assessment process. If you apply after our lists have closed, we will ask you to fill in our Waiting List registration form so we can then consider you for places which may become available.

Applications for 13+ entry in 2022 are now being considered by means of our Waiting List registration form.

Applications for 13+ entry in 2023 – applicants registered before 15 October 2021 will be included in the first wave of interviews in January and February 2022.

NB: For entry in September 2024 and beyond – registration will close in October of Year 7 with interviews then in January and February.

AT 16+ (YEAR 12)

We assess registered applicants during Year 11. You should inform the Head Teacher of your child's present school before submitting your application via the registration form.

Registered applicants will then be invited to be assessed by entrance tests and interviews in the November of Year 11.

Offers of places at 16+ are conditional on applicants achieving our required grades at GCSE or the equivalent foreign examinations. We ask for three 7 grades (or grade A) and above and another three 6 grades (or grade B) and above, including English and Maths, and the subjects chosen for A Level, if applicable. We allocate places on academic merit, considered alongside the potential to contribute to our co-curricular programme.

For girls' entry, most places are offered in our girls' Sixth Form only boarding House, Stanley, but some places may become available in other 'all years' girls' boarding Houses. Boys will be placed in 'all years' Houses.

FOR 16+ ENTRY IN SEPTEMBER 2022

The closing date for applications for 16+ entry in September 2022 is Friday 24 September 2021. Entrance Examination dates – Tuesdays, 2 and 9 November and Thursday, 4 November 2021.

We are pleased to consider later applications by means of a Waiting List registration form.

NB: For entry in September 2023 and beyond, the closing date will be in September of Year 11 with examinations then in November.

HOW TO APPLY FOR SCHOLARSHIPS AND AWARDS

THE ARNOLD FOUNDATION

Under the umbrella of The Arnold Foundation for Rugby School, which is financed by donations and gifts, we are able to offer funded places to pupils who would benefit from a boarding education, but whose parents are unable to afford the fees.

We work with partner organisations in the education sector whose aim is to identify talented children they believe would benefit from a boarding place at Rugby. However, parents and guardians are welcome to apply independently.

AT 13+ (YEAR 9)

The application process begins in the June before the year of entry when children are nominated and encouraged to complete and return our Preliminary Information form.

Application forms are expected to be submitted by the September and a visit arranged by the October.

Candidates will then be invited to return in the November to sit our entrance tests in English and Maths.

Those children being taken forward are invited for a final, formal interview in the following January with the Deputy Head (Pastoral), the Assistant Head (Middle School) and the Chairman of the Arnold Foundation Board.

Parents of these children will need to complete a Confidential Statement of Financial Circumstances form and return it to the Bursary before the final interviews take place.

AT 16+ (YEAR 12)

The application process begins in the June before the year of entry when children are nominated.

Application forms are expected to be submitted by the September and potential candidates should arrange to visit Rugby School on either of the two open days (in June or September) or by personal visit before the October of Year 11.

Parents of candidates will also need to complete a Confidential Statement of Financial Circumstances form and return it to the Bursary before this closing date.

Candidates sit entrance examinations and attend interviews in November at Rugby School. In exceptional circumstances we can make arrangements for children to sit entrance tests either at their current school or at an agreed testing site.

Those children being taken forward are invited for a final, formal interview in the following January with the Deputy Head (Pastoral), the Assistant Head (Upper School) and the Chairman of the Arnold Foundation Board.

Entry to our Sixth Form also requires all applicants to pass our minimum entry qualification at GCSE which will be at least three at grade 7 and another three at grade 6 or above (including English and Maths and the subjects to be studied at A Level).

Please contact Becky Witcomb on 01788 556267 or email rw2@rugbyschool.net who will be able to assist with your application.

HOW TO APPLY FOR MEANS-TESTED BURSARY ASSISTANCE TOWARDS FEES (AWARDS AND AUGMENTATION)

The value of a Scholarship or a Foundation Award is a fee concession of 5 per cent which parents or legal guardians of the awardee may elect to accept. More than one Scholarship can be awarded to a candidate although the total fee reduction available is limited to 5 per cent.

The level of fee concession provided can be augmented by bursary support up to 100 per cent of the boarding or day fees subject to means assessment.

To access bursary support a Confidential Statement of Financial Circumstances (blue form) must be completed and should be submitted to the Bursar before the examination closing date.

Completed bursary applications received after the closing date will not be assessed until after the result of a scholarship application is known and any bursary award may not then be offered at the time of joining the School. We are not able to provide an indication of the amount of financial assistance that may be available until the Registration Form has been completed and returned to the Admissions Office, together with payment of the Registration Fee. Bursary application forms are obtainable from funding@rugbyschool.net.

Additionally, at the Head Master's discretion, exceptional awards with a fee concession which may be greater than 5% can be made where, during the assessment process, we identify exceptional potential.

From the SW: Access the A45 in the south of Coventry area, and follow directions as above, but taking the first exit.

Both routes: Continue into Dunchurch, just over a mile, and turn left at the traffic lights in the village centre. Continue out of Dunchurch until the roundabout and take the second exit [for Northampton, M1 and Hillmorton]. Continue about a mile until a minor crossroads by the speed camera and turn left here [Rugby and St Cross Hospital] into Barby Road.

Just over a mile later, past School polo fields, Springhill playing fields and St Cross Hospital all on the right, to the top of the hill you pass School buildings on the right, then on both sides. The Close is on the left with the Admissions Office to the right.

FROM THE NORTH (VIA M1 OR M6, OR EAST VIA A14)

From the North via M6: Leave the motorway at junction 1, take the third exit on to the A426 [Rugby]. From the A14, continue on to the M6 (West), turn off at junction 1 and take the first exit onto the A426 for Rugby.

From all three routes: Continue on the A426 over the next three roundabouts until reaching the fourth with Tesco to the left. Continue straight on, through traffic lights, then take the first exit at the following roundabout [Town Centre and St Cross Hospital]. Head up Corporation Street, straight through the traffic lights at Asda and turn left at the next set of traffic lights [Webb Ellis public house on left]. Keep in the left hand lane which guides you past the School on the right. Take the first right into Barby Road [St Cross Hospital] and The Close is to the right and Admissions Office to the left.
